Étienne took over the family business of selling grapes in 2010, at the age of 26. He quickly held back some of his best plots to begin making his own wines. He has slowly increased the number of bottling and his reputation has risen along with it. He has become a true superstar in the region. Les Rocheforts is a single vineyard in the premier cru village of Bisseuil 1.7ha in size planted all to Chardonnay. He has been farming Organic but in 2020 he began his conversion to biodynamics.
