Much of what the estate is today is due to the hard work and progress that Michel Gonet has put into the family business. Beginning in 1973 Michel took control of the estate and wasted no time in beginning the process of increasing & modernising the the wine cellars all with the goal of improving the quality of the family wines. He also expanded the family holdings across Champagne, focusing on historically significant terroirs including Le Mesnil-sur-Oger, Vindey, & Montgueux.
